Dec 18th: Light The Night

In the middle of the darkness,
let's light it up!

Join youth from across North King and South Snohomish County for amazing worship, real community, and experiences like no other. This year our One City ministry is expanding to two nights a month and adding three new parish communities. On our Exalt nights we will gather for worship, an amazing witness, and Adoration followed by a little fellowship. On our Gather nights we will meet for insane games, community building, and faith sharing. No matter which nights you come to we invite you to bring others to experience authentic community and true moments of encounter with a God who loves us.
